

An architectural rendering of a proposed primary school structure. The building is a two-story, light-colored structure with a gabled roof and multiple windows. A blue translucent box is overlaid on the upper part of the building, containing the title text. The scene includes a paved area with people walking and a person on a bicycle, set against a backdrop of trees and a cloudy sky.

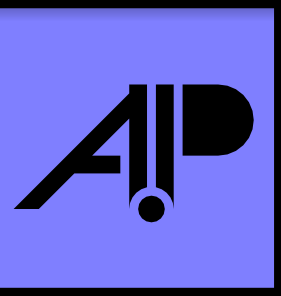

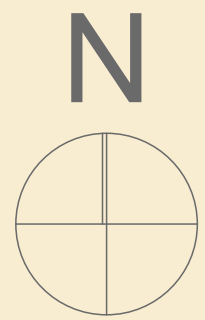

PROPOSED PRIMARY SCHOOL STRUCTURE

AUGUST 2020

Client | HOPE AND SHINE KIBERA CENTER.
